We are nearing the end of our 2012-2013 year and what a year it has been! But there is still lots to do yet! Vic Snowden, Donna and Garry Kuehl, and I attended the Ontario Group General Meeting in Peterborough where your Wing received the First Place in the Carry the Ball Award and Second Place in the Membership Award. Peter Sumlick, Terry Bruce, Donna Kuehl, and Ron Beaudreau received the Award of Merit for this year at the OAGM awards ceremony. Congratulations!

At our regular June general membership meeting on June 6th, 2013 we shall be holding discussions and voting on some very important questions regarding our future directions in the Royal Canadian Air Force Association. Please plan to attend. We need your input.

Equally important at our June meeting,

we shall be electing your Wing Executive Council for 2013-2014. Please be there to vote and if you are planning to attend the dinner that night let us know to reserve a meal for you. Call the bar and leave word on the answering machine. In any event, be there to cast your vote on several important issues.

Mark your calendars to attend the Ladies Auxiliary Barbecue on June 19th. Support the ladies who support your Wing so well.

Don't forget the Annual Veterans Picnic held at the BF Goodrich Foremen's Club grounds on June 30th. Tickets will be on sale at the bar.

And another important date for your calendar is the Annual Mayor's Veterans Dinner on September 13th. Come out and support this annual event which this year will be held at the Wing building.

Finally, use the Wing's facilities throughout the summer; use the patio; use the lounge; use it all. It's yours. See you at the Wing!

### ELECTION NOTICE

Larry Allenson

June 6th is Election Day.

I ask everyone to please come out to participate in this important event.

The Wing Ding is published monthly. The opinions expressed are those of the editor and contributors and in no way reflect opinions of the Air Force Association of Canada or of the 404 K-W Wing, who jointly and separately assume no liability.

## PADRE'S CORNER

*Dr. Bruce Street*

As I write this Chris Hadfield has just returned from five months in space. I follow this with particular interest because I served with Chris at BFC Bagotville Quebec back in the 80's. His unit, 425 Squadron, had arrived with the brand new F18 fighter jets. He would ultimately spend time in the US on a pilot exchange, and it was while there, that he applied to become an astronaut. So, it's very interesting for my wife and I to see him again after all this time and to see the part he is playing in the space program.

And what is really interesting is to see the effects of returning to earth after several months in a weightless environment. Here's an excerpt from a recent CBC article:

Canadian astronaut Chris Hadfield said he's "tottering around" like an "old duffer in an old folks" home as he goes through rehabilitation and gets used to gravity again after five months in space.

Hadfield is currently in Houston, Tx. where he spoke to media via video connection on Thursday.

The 53-year-old astronaut returned from space on Monday night after spending months in space, the last three of which he was the first Canadian commander of the International Space Station.

"It's very confusing for my body right now," Hadfield said.

"Without the constant pull down of gravity your body gets a whole new normal... It's a very empowering environment where you can touch the wall and do somersaults, move a refrigerator around with just your fingertips and never worry about which way was up. Well, all that suddenly changed when our Soyuz suddenly slammed back into Earth."

The main symptoms of that transition, he said, are a feeling of dizziness and soreness. Hadfield related it to coming off of an amusement park ride and noticing that your "eye and inner ear are telling you different things."

Hadfield's blood flow has not yet returned to normal either. He said he is still wearing a G-suit underneath his clothing in order to help push blood into his upper body and head.

"And I haven't held my head up for five months so my neck is sore and my back is sore. It feels like I played a hard game of rugby or full contact hockey yesterday and I haven't played in a while. My body is sore and I'm dizzy but it's getting better, measurably, by the hour."

There is value to the struggle to recover. Hadfield said the changes are similar to those one undergoes as they age, and therefore medical researchers can gain new insights into the process by studying the changes in his body.

"My blood vessels have hardened, my cardiovascular system has changed, how my body regulates blood pressure -- all those things have changed rapidly and now they're readapting so we have researchers here looking at how does the body actually control those things."

"I'm a lab rat but I'm a full-sized human lab rat and there's no other way to make this transition happen on Earth. It's just a gift of weightlessness."

When asked what his next steps will be, and what he plans for an "encore" performance, Hadfield said he's more concerned with learning how to walk again and being able to stand up in the shower without getting dizzy.

~~~~

As I write this it is also the season of Pentecost. The Church understands this event as a special outpouring of the Spirit upon the followers of Christ. In a sense they too would now find themselves trying to get reacquainted with the world. For them everything had now changed in that they would be continuing the work of Jesus. They would also have to adapt to new pressures. Their greatest adjustment in life would now be to tell others about the love of God and and to embody this through their relationship with all people. Regardless of our faith, may we always be open to this standard of outpouring service and life-giving concern for others.

## ENTERTAINMENT REPORT

*Donna, Terry, Sandy and Larry*

A Corn Roast has been planned for August 24th – so please reserve this date. As our fiscal year draws to a close on June 30th, we thank all the volunteers who generously donated their time and efforts this past year. We also thank all our members and friends of the Wing who came out and supported the dinners and special events in 2012-13. Our combined efforts generated a significant contribution to the bottom line and we had some good fun along the way. Thank you and have a great summer.

**LADIES AUXILIARY***Bev Rylott*

Here we are past the middle of May already. I was to Peterborough, to the AGM at the 428 Wing and really enjoyed myself, as that is the Wing my husband and I were members for many years. So it was like going home, renewing friendships and meeting new ones.

Now to get down to the business of the 404 Wing. We had our last meeting until September on May 15th, so for you Ladies who were unable to be with us, I will try to bring you up to date. We went over all of our charities and they

all remained the same except for the one to 'Lung', because they are out of London, we agreed that we should be giving locally, so we added 'Kidney'.

We had our nominations and elections. Wendy is leaving our executive. We will miss you, and thanks for your dedicated service. Wendy will still help us out at our functions. We are very fortunate to have so many Ladies willing to cover these positions.

Please remember the Barbecue on June 19th. You will receive a phone

call from Jean or Mindy to see if you can bring either a salad or dessert.

This will be my last write up for the Wing Ding. You will be hearing from our new President Carol Totzke in September.

I have enjoyed being your President for the past two years and have appreciated your co-operation. I feel choosing to have afternoon meetings was the right decision. I also believe the Ladies Auxiliary is still healthy, happy and strong. Keep up the good work!

**FRIDAY LUNCHES***Carol Totzke***WEDNESDAY ENTERTAINMENT***Larry Allenson*

This is the time of the year that I like best. Friday lunches will resume on September 20th, 2013.

Our volunteers are priceless and many thanks to our four captains - Chris Barker, Carol Totzke, Joan Fry and Donna Kuehl, as well as their team members - Anna May, Alice, Ann, Ada, Aileen, Beth, Brenda, Connie, Donna C., Dorothy, Evelyn, Jean, Joan, Jan, Elizabeth, Gail, Louise, Pat, Penny, Roberta, Terry and Wendy. Needless to say, we must include our gentlemen helpers - Harvey Fry and Garry Kuehl, bartenders and coffee makers. Paul Peel who faithfully shows up every Friday to set up and Larry Allenson who always seems to manage to do our odd jobs. Saying thanks seems so inadequate. For your information:

## KYAC YOUTH AWARDS

Donna Kuehl

An Air Cadet was a winner at the 2013 KYAC youth awards on May 1st in Kitchener. These awards presented by the Kitchener Youth Action Council (KYAC) during National Youth Week, recognize the tremendous benefits young people bring to the community. She won the Community Contribution Award: Donna Voll is active as a sergeant in the Ayr Air Cadets represented her high school at the Waterloo Region District School Board's youth equity leadership camp and this past year attended the Ontario Secondary School leadership convention in Niagara Falls. Donna recently returned home from Santiago, Chile, where she did community work for 10 days.

## AIR SHOW NEWS

Dear Veterans,

Come and join us to celebrate Waterloo Air Show's 5th Anniversary on June 1 & 2, 2013!

We will be honoured to have you celebrating this milestone with a bigger and better static display, a new food truck alley and an exciting air show featuring the Canadian Forces Snowbirds, CF-18 Hornets, Canadian Harvard Aircraft Association, local legend Wayne Hadath, wing walker Jane Wicker, acrobatic comedian Kent Pietsch, a Jet Car and much more.

As a commemoration for your service, we are honoured to waive the entrance fees for all Canadian Military veterans with proof of service. There will also be a designated tent where you can enjoy the show in the front row seat.

Please sign up at your legion!
